

Rules and Information

1. This is non-sanctioned event. All decisions regarding the event will be handled by the Pope Hill Racing staff. Payment of entry fee acknowledges this fact.
2. Pope Hill Racing reserves the right to inspect any bike/quad at any time for safety concerns or other reasons deemed necessary. Disqualifications may be done in the case of flagrant violations.
3. All riders must sign a waiver in order to race. Minors must have a legal guardian present when racing and have a minor release form signed in order to race. Ages are as of 1/1/09 to determine class.

This ticket gives you access to the pits as well as the ability to ride all the midway rides all day long. This is a great deal, so come early and enjoy the day ! Riders and guests will also be given a pit wristband when entering the pit area. **You must have this wristband in order to be in the pits.**
